Dear Michael:

In accordance with your instructions, we are transferring back to you the above-referenced Lam Research Matters we have been handling and are withdrawing as counsel. A *Request for Withdrawal as Attorney or Agent and Change of Correspondence Address* was filed in the above-referenced matters on **June 27, 2008**. Per USPTO requirements, we listed the new correspondence address as the address of the currently recorded assignee, which is Lam Research Corporation except for in matters PA2260US and PA2702US, which have been assigned to Applied Materials Inc. We will, of course, forward any correspondence that may be misdirected to us in the interim. As soon as new counsel has been found to prosecute the above-referenced matters, we request they file the necessary documents to change the correspondence address and power of attorney.

Please be advised that there is a risk of losing rights in the above-referenced patent applications if you, or the new counsel, does not respond to future communications from the Patent Office in a timely manner.

Thank you, again, for the opportunity to have handled these matters for Lam Research.

Sincerely,

V. Randall Gard
